eVISIONS

# Add to your bottom line with a smarter way to process payments

Evisions IntelCheck adds greater efficiency to the payment process, as well as substantial savings to your bottom line. It streamlines output for AP, Payroll, student refund payments, and direct deposit advices.

## Customer Benefits

### Cost effective

Eliminates need for pre-printed check stock, as well as management and storage of that stock.

### Easy implementation

Evisions creates all of the check templates for you, based on your institution's requirements and specifications.

### Signature control

Exercise more control over check signatures by using dollar amounts to determine manual or electronic signatures, and signee(s).

## Key Features

- Web-delivered interface (no PC installation)
- Complete integration with Banner allows for additional data not on standard checks

- Positive Pay capabilities protect against fraud
- Fully secure, using IntelCheck security and encryption

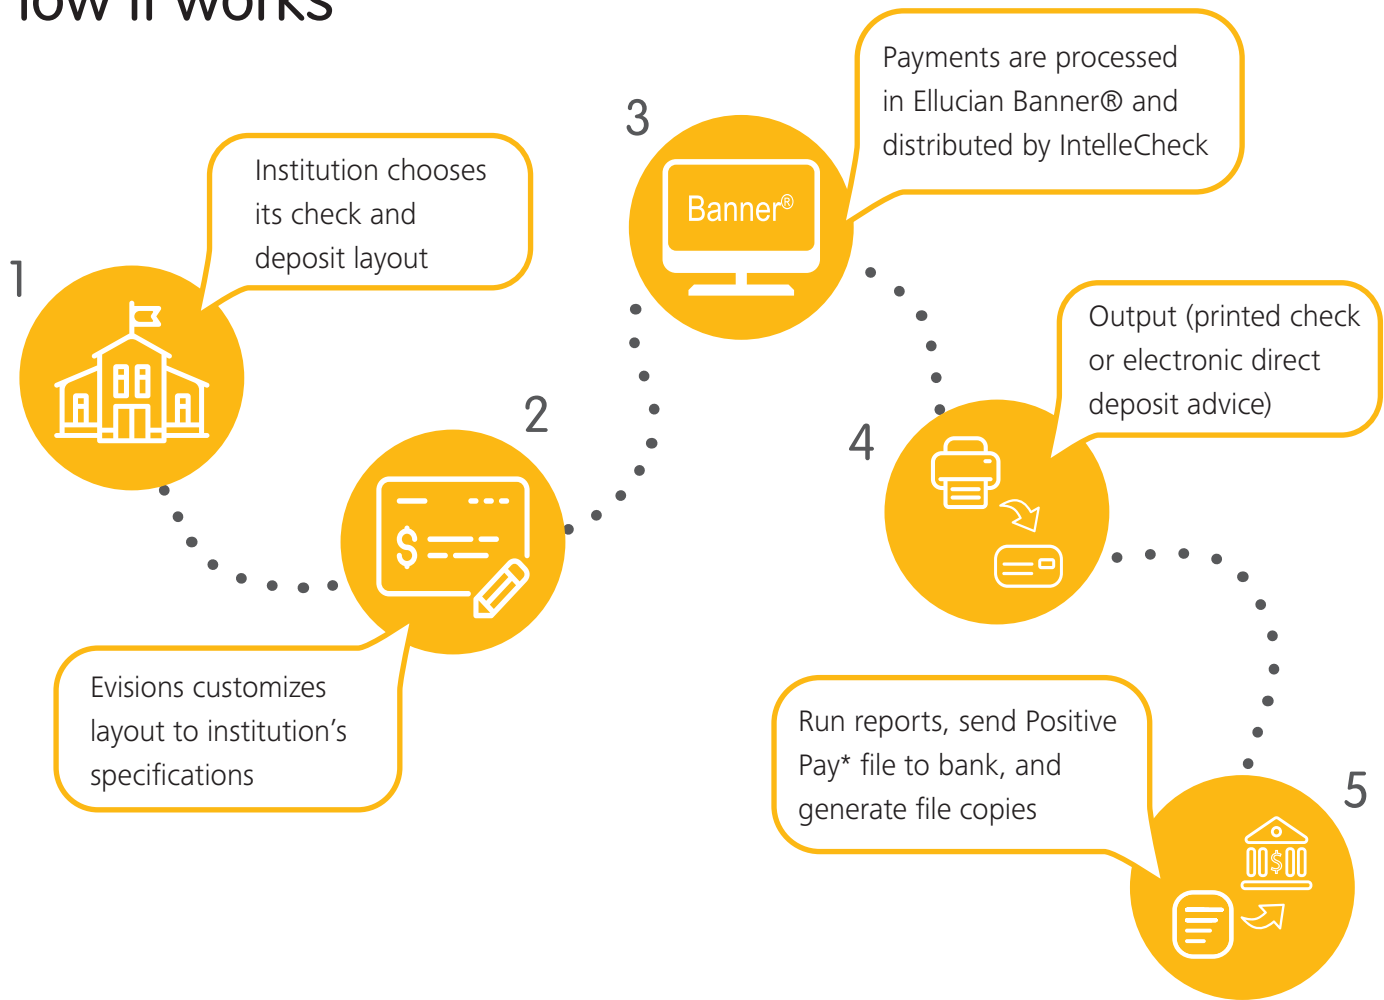

- Electronic signatures based on dollar amount
- Ability to reprint or reprocess payments

- Evisions ensures IntelCheck is current with Banner
- Expert HelpDesk staff available to assist

# How it works

*\*Positive Pay = automated fraud detection tool in which the account number, check number, and dollar amount of each check is matched against a list of checks previously authorized & issued by the institution.*

## Delivery methods

### Print

Allows the printing of checks to any laser printer with blank secure check stock and MICR toner

### Imaging

Allows checks, advices, and BankMobile payments to be sent as PDF images to third party imaging solutions

### Email

Direct deposit advices can be securely emailed.\*

*\*Requires optional module*
